Re: Pilitsis v. Eber-Metro, LLC, et al., 07 Civ. 8143 (HB)

Dear Judge Baer:

I represent the plaintiff, Harry Pilitsis, in the above-referenced action for employment discrimination. On consent from opposing counsel, I write to respectfully request that your Honor issue an Order referring the above-referenced case to the Southern District of New York's Mediation Program. Furthermore, as the discovery deadline is currently set for March 30, 2008, and the parties have not yet completed discovery, it would be essential to both parties that discovery, as well as all other deadlines set in your Honor's scheduling order, be stayed pending the outcome of the mediation. As the trial date for his action is set for October, were mediation to not result in settlement, the parties would have ample time to complete discovery and motion practice, if necessary. Finally, I respectfully request that as part of your Honor's Order, it is declared that all parties, including all individually named defendants and representatives from the insurance policies that have been triggered by this action, be directed to be present (either in person or by phone) at such mediation.

(1) I have forwarded the mediation order for mediation order
(2) we don't discuss
(3) I agree provide a 30 day
(4) Set the mediation done with Walker G. Harman, Jr.
(5) The balance of the 30 day
(6) Trial continues on the 30th

Respectfully submitted,
Walker G. Harman, Jr.

Cc: Dan M. Moore, Esq.
